ACKNOWLEDGMENT

All praise is to Allah SWT, for the presence of plenty of mercy and his grace, so that the writer can complete the thesis with the title: The effect of using WhatsApp in reducing EFL speaking anxiety in Indonesian University context. This is to meet one of conditions and completed studies in order to obtained a Bachelor of Education Degree at English Language Education Department and Teacher Training and Education Faculty University Muhammadiyah Malang.

Appreciation and thanks to the sincere my beloved Father and Mother for the endless love, pray, and support as well as material. May Allah SWT always bestow grace, health, gifts, and blessings in the world and in the hereafter over all the goodness that has given to the author. Also this thesis would not have done without the help, support and patience of my first advisor, Mr. Teguh Hadi Saputro, M.A. for his supervision, advice, and guidance from the very early stage of this research. Then to the second advisor, Mr. Triastama Wiraatmaja, S.S., M.Si. who has helped him patiently finishing this undergraduate thesis by giving suggestion, guidance, and correction until the completion of this thesis.

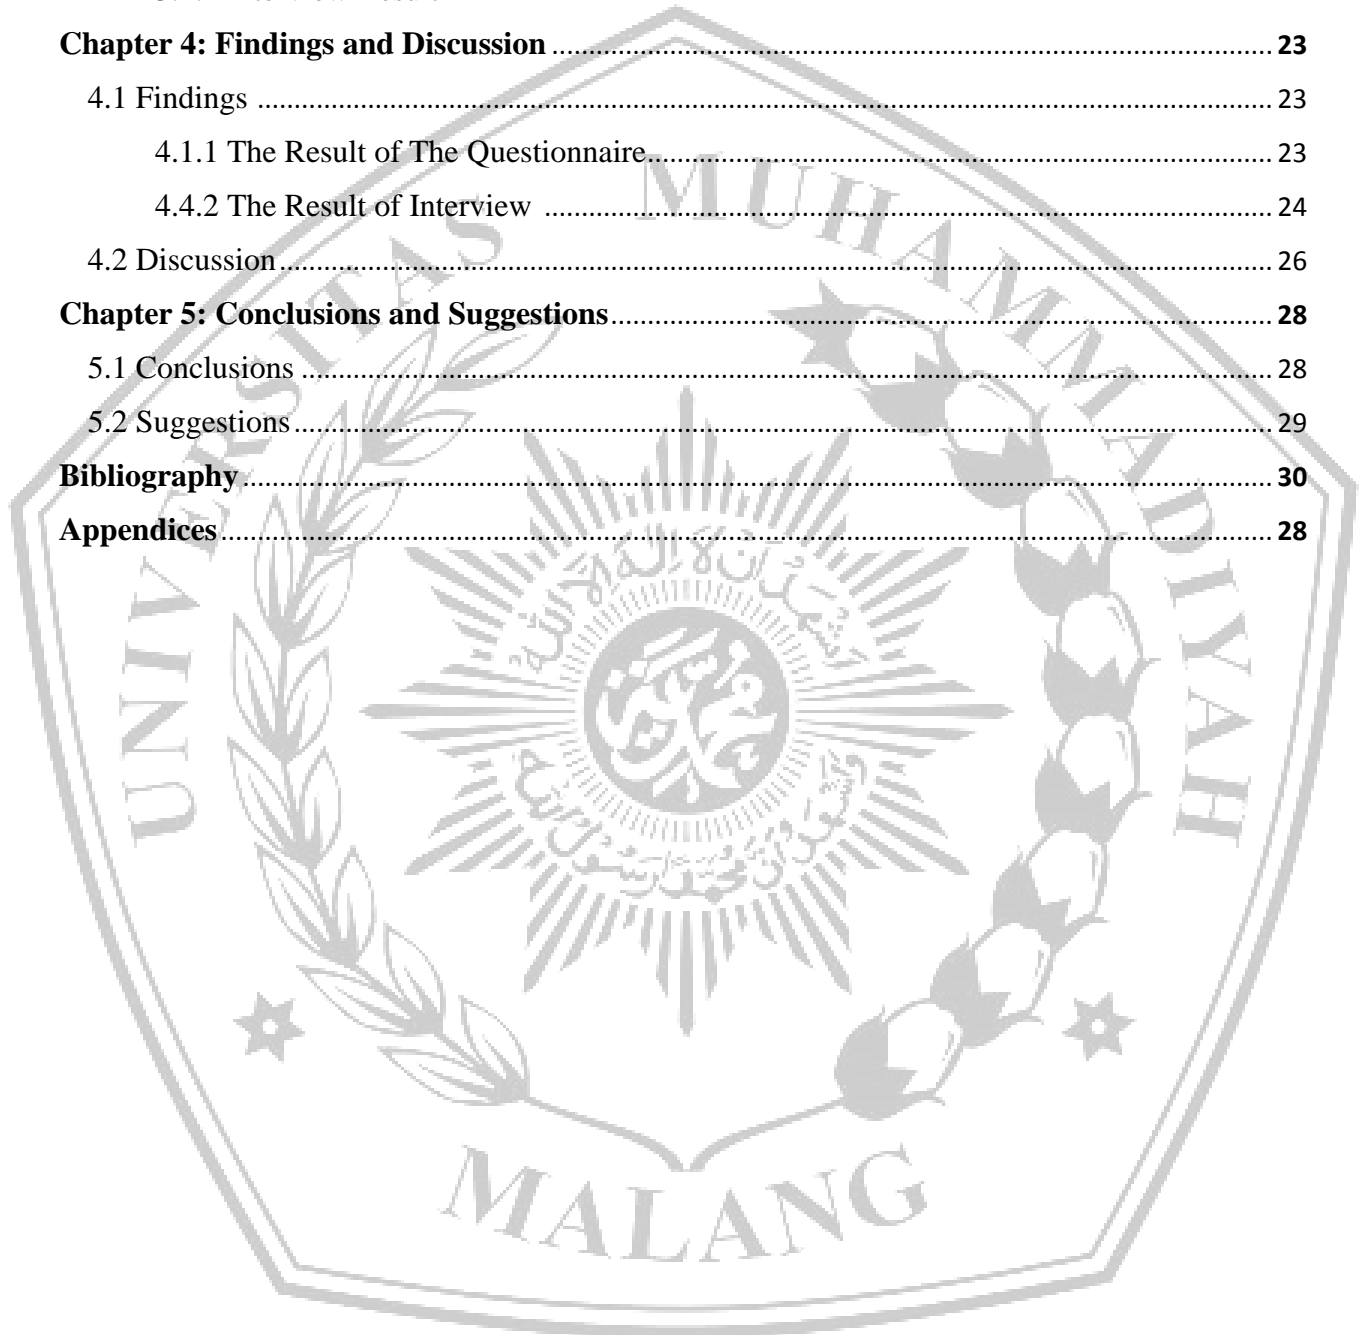

Furthermore, the writer would like to cordially thanks to the Dean of Faculty of Teacher Training and Education, Dr. Poncojari Wahyono, M.Pd for his kind permission and co-operation. His heartfelt thanks are addressed to the Chair of the English Language and Education Department, Bayu Hendro Wicaksono, M.Ed., Ph.D, who have provided the needed requirements for the accomplishment of the thesis.

The writer would also like to express his deep gratitude to all lecturers of the English Language and Education Department of the University of Muhammadiyah Malang who have educated and taught him.
